

ANTHONYSONLINE

- **What did the track title make you expect?**

I had expected to hear a slower song and more moody when I first heard the track.

- **After hearing the track, what are your thoughts?**

I think it is a solid track, I could see it being played on a dj set.

- **What emotions did the track make you feel?**

Hopefulness . Wanderlust. and Excitement.

- **How are your emotions connected to the track?**

I can connect it with situations that I've endured throughout my life experiences.

- **How do you feel tied/ disconnected with the track?**

The Connections are solely based on some relationships I had with people in the past.

- **Did the track make you think a lot? Or not at all? Explain (how/ why)**

the track made me think a lot, I thought about all the down time I had when going through some breakups.

- **What are your motives behind the piece you've created?**

My motives behind the piece I've created was to make the listener think about being a millionaire metaphorically.

- **Why did you make your piece in this specific way?**

I branched off the idea of the piece you created.

- **Do you think the track mixed with your piece/ medium could inspire your future work? (New style/ focus)**

I agree it could inspire a lot of future work.

- **What does your piece make you think of?**

My piece makes me feel as though everyone wants physical wealth but not wealth in the heart and soul.

- **Does your piece have to communicate with everyone? Or only to you?**

I feel as though. my piece is universally interpreted to communicate with the vast.

- **What do you think my motives were behind the track?**

I think your motives were to give people a feeling and sense of strong emotion.
